

The image is a hand-drawn sketch of a mobile application interface. At the top, there is a header area with the text "Wear Right" in a large, handwritten font. Below the header, the text "Luo profiilisi" (Create your profile) is centered. The form consists of several input fields: a text field for "Jaska", a text field for "21", and a text field for "Narnia". Below these is a radio button group with two options: "Mies" (Male) and "Nainen" (Female). The "Mies" option is selected, indicated by a filled circle. Below the radio buttons is a large rectangular button labeled "Luo". At the bottom of the form is a message box containing the text "Virheellinen kaupunki/osoite." (Invalid city/address). Below this message is a small rectangular button labeled "OK". The entire form is enclosed in a rounded rectangular frame, which also contains a small horizontal bar at the top and a small oval shape at the bottom, suggesting a mobile device screen.
